INTRODUCTION

The “Khelo India” – National Program for development of Sports” was revamped. The revamped “Khelo India has twelve different verticals. One of the most important verticals is the Annual Sports Competition. *The 2nd edition of Annual Sports Competition was called as Khelo India Youth Games, Maharashtra 2019 which was held in Pune from 9th January 2019 to 20th January .The Third Edition of Annul Sports Competition will be called as Khelo India Youth Games ,Guwahati*

2020.

CONCEPT

It has been decided to organize the 3rd edition of Khelo India Annual Competition 2020 for Under-17 age group (Boys & Girls) and Under-21 age group (Boys & Girls) in 20 sports disciplines from 10th January to 22nd January 2020 in Guwahati, Assam. An overarching competition will take the shape of a Youth Olympiad and will be organized in International venues at Guwahati. The technical conduct will be benchmarked to international standards and the format of the game will provide an opportunity for the States/UTs to compete against each other and showcase their best sport talent in the U-17 & U-21 age category.

The School Games Federation of India (SGFI) has been organizing Under-14, Under-17 & Under-19 competitions for more than 63 years. It has already been circulated by SGFI that their National Competitions will be completed much before Khelo India Youth Games. Similarly, National Sports Federations (NSFs) also conduct national competitions in various age groups. The structure having convergence of all the stakeholders, namely SGFI, NSFs, AIU, CBSE & SAI has been created in the form of Games Technical Conduct Committee. It has been decided that the

best performing athletes in various national level competitions will get a platform to showcase their talent at the mega competition.

Objectives.

1. To create an aspirational value amongst the youngsters

The youngsters should look forward to play the mega competition in the same way as seniors look forward to participate & win medals at the Asian Games, Commonwealth Games or Olympic Games. (In future, it is also under consideration to invite participants from few foreign countries).

2. Create a platform for identification of sporting talent

Under the Khelo India scheme, 2656 Athletes have been identified so far for scholarship of Rs. 5 lakhs each (in cash and in form of services). From 1st edition of Khelo India 562 Athletes were identified and from 2nd edition of Khelo India 512 Athletes were identified. Similar to last year, a new set of 1,000 athletes will be identified

3. To bench-mark the technical conduct of the games with international standards

All participants should get international standard competition environment in domestic competitions.

Venues:

The competitions will be organized in ***Sausujai Sports Complex, Guwahati, Assam.***

Salient Features of the Games will be as under:

- The third edition of Khelo India Annual Competition will be called Khelo India Youth Games (KIYG), Guwahati 2019.
- The following 20 disciplines are included in KIYG, Maharashtra 2019:

Archery	Tennis	Table tennis	Hockey
Athletics	Gymnastics	Weightlifting	Kabaddi
Badminton	Judo	Wrestling	Kho-Kho
Boxing	Shooting	Basket ball	Volleyball
Cycling	Swimming	Football	Lawn Bowl

- Total 451 events in 20 disciplines have been scheduled.

- A Grand Opening & Closing Ceremony will be held on 10th January and 22nd January, 2020, respectively.
- **Age Eligibility for U-17:** The players enrolled in schools born on or after 01st January, 2003 (01/01/2003) will be eligible to participate in U-17 age group.
- **Age Eligibility for U-21-**The players born on or after 01st January, 1999 (01/01/1999) will be eligible to participate in U-21 age group. It is not mandatory to be enrolled in any College/ University.
- The technical conduct of the competition will be done by highly qualified technical officials of NSFs, some of them having officiated in international competitions.
- There will be live telecast, live streaming on digital platform and live scoring system. World's best TSR system will be used for conduct of the Games.
- The management of the event would be done by professionals under the guidance of the Sports Authority of India (SAI) & Games Technical Conduct Committee (GTCC, KIYG) in association with Host State.
- Participants will represent only States & Union Territories, although the nominations will come from various stakeholders.

A Glimpse at 2nd Khelo India Youth Games (Opening Ceremony)

Archery

Background

Introduction

Archery is the sport, practice or skill of using a bow to propel arrows. The word comes from the Latin arcus. Historically, archery has been used for hunting and combat. In modern times, it is mainly a competitive sport and recreational activity.

History

Archery is one of the oldest arts still practiced today. The evolution of archery began at the start of mankind's history, and evidence of ancient archers has been found around the world. Archery first appeared in the Olympic Games in 1900 and was contested again in 1904, 1908, and 1920. Women competed in the 1904 Olympics, making archery one of the first sports to include events for both genders. The sport then had a 52-year hiatus from the Olympics. It was reintroduced to the programme in 1972, with individual events for men and women. World Archery is the international governing body of archery sport.

Archery in India

History of Archery in India dates back to the Vedic era, as the Indian people of that period used Archery as a means of hunting. In India the first National Archery Championship was held in Lucknow in 1973. Modern FITA/Olympic Archery came to India in 1970 before the game had been chosen as part of the Olympic discipline in Munich, West Germany in 1972. India's first appearance in Olympic Games was in 1988. Limba Ram, three-time Olympian a world record in 1992. Miss Dola Banerjee became the first Indian Archer to win an individual Gold Medal and she became the first Indian women Archer to qualify for the Olympics in 2004. Muskan Kirar won the Gold in the women's compound final event at the Archery Asia Cup, International Stage competition in Bangkok on 7th March 2018. Deepika Kumari won an individual gold at the Commonwealth Games 2010 and is ranked at World No.5 while Atanu Das stands at world ranking of 17. VJ Surekha got Arjuna award in 2017 for her exemplary performance in Archery. The game of archery in India is mainly governed and supervised by Archery Association of India (AAI).

ATHLETICS

Background

Introduction

Athletics is a collection of sporting events that involve competitive running, jumping, throwing, and walking. The most common types of athletics competitions are track and field, road running, cross country running, and race walking.

History

Organized athletics are traced back to the Ancient Olympic Games from 776 BC. The rules and format of the modern events in athletics were defined in Western Europe and North America in the 19th and early 20th century, and were then spread to other parts of the world. Most modern top level meetings are conducted by the International Association of Athletics Federations and its member federations. Athletes with a physical disability compete at the Summer Paralympics and the IPC Athletics World Championships.

Athletics in India

Athletics in India has a history which dates back to the Vedic period and it can be said that the principles of the Atharva Veda gave shape to the formation of Indian athletics. India has so far produced a number of successful athletes who have created a tradition of dazzling performances at the international arena. Some of the most successful Athletes in the early history of Indian Athletics are Milkha Singh, T. C Yohannan, Gurbachan Singh, Sriram Singh etc. Some of the notable Indian Athletes are Milkha Singh, P T Usha, Anju Bobby George, Ashwini Nachappa, Muhammad Anas, Gurmeet Singh, Kheta Ram, Arokia Rajiv, Ankit Sharma, Sudha Singh, Lalita Babar, Dutee Chand, Manpreet Kaur. Needless to mention is the stellar performances of the Indian athletes at the Common Wealth Games 2018 clinching a total tally of 19 medals comprising 7 gold, 10 silver and 2 bronzes.

Venue and Date

Athletics Arena, Sarusajai Sports Complex (SSC), Guwahati from **11th to 14th January 2020.**

**** Bibs will be distributed at the Team Managers Meeting Session one day prior to the start of the competition.***

Badminton

Background

Introduction

Badminton is a racquet sport played using racquets to hit a shuttlecock across a net.

History

Games employing shuttlecocks have been played for centuries across Eurasia but the modern game of badminton developed in the mid-19th century among the British as a variant of the earlier game of battledore and shuttlecock. The game may have originally developed among expatriate officers in British India, where it was very popular by the 1870s. Badminton was a demonstration event in the 1972 and 1988 Summer Olympics. It became an official Summer Olympic sport at the Barcelona Olympics in 1992. The BWF governs international badminton.

Badminton in India

The game of badminton has its roots well laid in the Indian soil. A descendent of Battledore and Shuttlecocks, the game was originally christened Poona. In the 1870s, British army officers played this game in the city of Pune in India, which was then called Poona and hence the game was also termed as Poona. Badminton in India is managed by Badminton Association of India. Prakash Padukone is the first Indian badminton player to win All England Open. Pullela Gopichand is a former badminton player and presently he is the Chief National coach. He coached several badminton players including Saina Nehwal, P.V. Sindhu, Parupalli Kashyap, Srikanth Kidambi, Arundhati Pantawane, Gurusai Datt and Arun Vishnu. Saina Nehwal former world no. 1 is the first Indian women badminton player to have won an Olympic medal. At the 2016 Summer Olympics, P.V. Sindhu became the first Indian woman to win a silver medal. The leading ladies of Indian Badminton, Saina Nehwal & PV Sindhu put up tremendous performances at the Asian Games 2018, with the former winning a bronze in the Individual event creating history yet again. The Indian contingent put up a spectacular performance at the Commonwealth 2018 bringing home a total medal tally of 10 - comprising of 2 Gold (women's singles & mixed doubles) , 3 Silver (Men's Singles, Women's singles & Men's doubles) and 1 bronze(Women's doubles) .

Basketball

Background

Introduction

Basketball game played between two teams of five players each on a rectangular court, usually indoors. Each team tries to score by tossing the ball through the opponent's goal, an elevated horizontal hoop and net called a basket.

History

Basketball was invented by James Naismith (1861–1939) on or about December 1, 1891. Basketball grew steadily but slowly in popularity and importance in the United States and internationally in the first three decades after World War II. Men's ` was first included at the Berlin 1936 Summer Olympics, although a demonstration tournament was held in 1904. Women's basketball was added to the Olympics in 1976. The international game is governed by the Federation Internationale de Basketball Amateur (FIBA)

Basketball in India

In India, the game of basketball started its journey in 1930 when it was played for the first time. The first Indian National Championship for men was conducted in 1934 in New Delhi. The Basketball Federation of India (BFI), which controls the game in India was formed in 1950. Throughout history, Indians learned to appreciate the game because of its fast scoring and intense activity from the beginning until the end. Basketball Federation of India is responsible for the development and promotion of Basketball at all levels. In the past few years; Indian basketball has had a lot more success with the women's team really making their mark.

A total of 08 teams will participate in the Basketball Event. The 08 Teams will be divided into 02 groups.

Each Team will play a total of 03 league matches.

Semi Finals

The Top 02 Teams of each group will qualify for Semi Finals.

- Boys section – 2 Semi – final matches
- Girls section – 2 Semi – final matches

Finals

- Boys section – 2 matches – Third place Between Losers of the two Semi-final matches.
- Final - Between Winners of the two Semi-final matches.
- Girls section – 2 matches – Third place Between Losers of the two Semi-final matches.
- Final - Between Winners of the two Semi-final matches.

The point system for the league matches will be as under:

A team earns two points for a win, one point for a loss and zero points for a forfeit.

****Practice Sessions and Team Manager Meetings will be held one day prior to the start of the competition.***

BOXING

Background

Introduction

Boxing is a combat sport in which two people, usually wearing protective gloves, throw punches at each other for a predetermined set of time in a boxing ring.

History

In Olympic terms, it was first introduced in the 23rd Olympiad, 688 B.C. Boxing was a popular spectator sport in Ancient Rome. In order for the fighters to protect themselves against their opponents they wrapped leather thongs around their fists. Legends like Muhammad Ali, Jack Johnson, Joe Louis, Rocky Marciano, Benny Leonard, and Mickey Walker along with many stars have brought worldwide fame and recognition to the sport.

Boxing in India

Mohammad Ali Qamar became the first Indian to win a gold medal at the 2002 Commonwealth Games in Manchester, United Kingdom.

At the 2008 Beijing Olympics, Vijender Singh won a bronze medal in the middleweight boxing category, while Akhil Kumar and Jitender Kumar qualified for the quarterfinals.. Vijender Singh reached World No.1 in the middle weight (75 kg) category class in 2009.

India's Mary Kom is a six-time World Amateur Boxing champion, and the only woman boxer to have won a medal in each one of the eight world championships. She also became the first Indian woman boxer to get a Gold Medal at the Asian Games during the 2014 Asian Games at Incheon, South Korea. She is the only Indian woman boxer to have qualified for the 2012 Summer Olympics, competing in the flyweight (51 kg) category and winning the bronze medal.

Cycling

Background

Introduction

Cycling sport is competitive physical activity using bicycles. There are several categories of bicycle racing including road bicycle racing, time trialing, cyclo-cross, mountain bike racing, track cycling, BMX, and cycle speedway. Non-racing cycling sports include artistic cycling, cycle polo, freestyle BMX and mountain bike trials. The Union Cycliste Internationale (UCI) is the world governing body for cycling and international competitive cycling events. The International Human Powered Vehicle Association is the governing body for human-powered vehicles that imposes far fewer restrictions on their design than does the UCI. The Ultra Marathon Cycling Association is the governing body for many ultra-distance cycling races..

History

The first bicycle race is popularly held to have been a 1,200 meter race on the 31 May 1868 at the Parc de Saint-Cloud, Paris. It was won by expatriate Englishman James Moore who rode a wooden bicycle with iron tires.[1] The machine is now on display at the museum in Ely, Cambridgeshire, England.

The Union Cycliste Internationale was founded on 14 April 1900 by Belgium, the United States, France, Italy, and Switzerland to replace the International Cycling Association, which had been formed in 1892, over a row with Great Britain as well as because of other issues.

Cycling in India

The history of cycling in India dates back to 1938. The Cycling Federation of India takes care of the sport. Cycling is unknown as a professional sport in India but popular as a common recreational sport and it is a good way to keep fit.

Mountain biking is becoming a popular sport. For the last 15 years, MTB Himachal now MTB Himalaya has been organized regularly by HASTPA, an NGO. It is attended by a number of national and international participants, including some world champions like Cory Wallace, Andy Seewald, Lui Lio pinto and Indian Army, Indian Air Force, ITBP and a number of young and energetic MTB individual riders from cities like Pune, Bangalore, Delhi and Chandigarh.

The Cycling Federation of India(CFI) is the NSF of India.

TRACK

- 1. Time Trial:-** The time trial event is conducted for the Men Elite and Men Junior is 1000 Mtrs distance and for Women Elite and Women Junior is conducted 500 Mtrs distance. The rider is given a start in standing position for the stipulated distance to clock his/ her best time and winner is declared on the basis of best time clocked for the distance. Rider is granted only one default/restart maximum one time.
- 2. Individual Pursuit:-** Individual Pursuit is track event organized in cycling velodrome for the following distances among the various categories of the riders
 - Men Elite – 4000 mtr.
 - Women Elite – 3000 mtr.
 - Men Junior – 3000 mtr.
 - Women Junior – 2000 mtr.

Race is between 02 rider's places on track opposite each other on red line for the stipulated distance and their time is recorded for the preliminary classification.

After the qualifying round time recorded for the best two riders qualify for the finals to race for the gold & silver medals and 3rd and 4th placed riders qualify for the bronze medal.

During final the Race is run on knock out basis and any rider catch the rival she/he is considered as winner. However if any rider not able to catch the rival, in that situation the rider clocking the best time is declared winner.

- 3. Team Sprint:-** The Team Sprint runs of three riders for Men Category against the clock and for women category two riders. The qualifying round is conducted to select the best four teams for the finals. In the Finals the two teams compete against each other over three laps (two laps for women) of the Track. The task of the starting riders is to get out of the start gate and bring the team up to high speed as quickly as possible. After one lap the first rider peels off to allow the next rider to take the place. The leading rider must not swing up until a full lap is complete and must change over in an area of 15 meters after the start line otherwise the team will be disqualified.

After the qualifying round the best 4 teams qualify for the finals. While best 2 team's fights for the Gold & Silver medals and the 3rd & 4th best teams fight for Bronze medal. The stipulated distance for the elite men & junior men for the event is 3 laps of track however the distance for elite women & junior women riders is 2 laps of the track.

During finals the team which crosses the finish line first is declared winner.

- 4. Team Pursuit:-** Team Pursuit event is conducted on the track, whereas the rules are same as of the Individual Pursuit event but in the Team event the 4 riders line up for the start against other team on the red line of the track both the sides. The finish time of the team is taken of 3rd rider touching the finish line of the stipulated distance of the event. In qualifying round race is run by each team alone for a distance of 4000 mtrs. The time is recorded for all teams in qualifying heat and the best 4 teams qualify for the finals. While first two best teams flights for Gold & Silver medals, the 3rd & 4th teams fight for the Bronze medal.

During the finals both teams are placed opposite side each other at red line on the track. In the case of any team catches the other team the team will be declared the winner and other team the loser of the heat. Otherwise the team clocking the better time will be considered as winner of the heat.

- 5. Keirin Race:-** Its an individual event on the cycling track and run for 6 laps of the track. Total number of participants is divided in two or more groups of not more than 7 riders and less than 4 riders. Each group of riders take start position at the start line and a Derney/ Bike or motor bike swoop past them, when they follow the Derney / bike according to their number allotted by draw, they have to follow the Derney/ Bikes. The speed of the Derney/Bikes is 35 Km/h which increases till 50 km/hrs by end of 3rd lap. The Derney will move out the track after 3 laps and the riders go for the sprint.

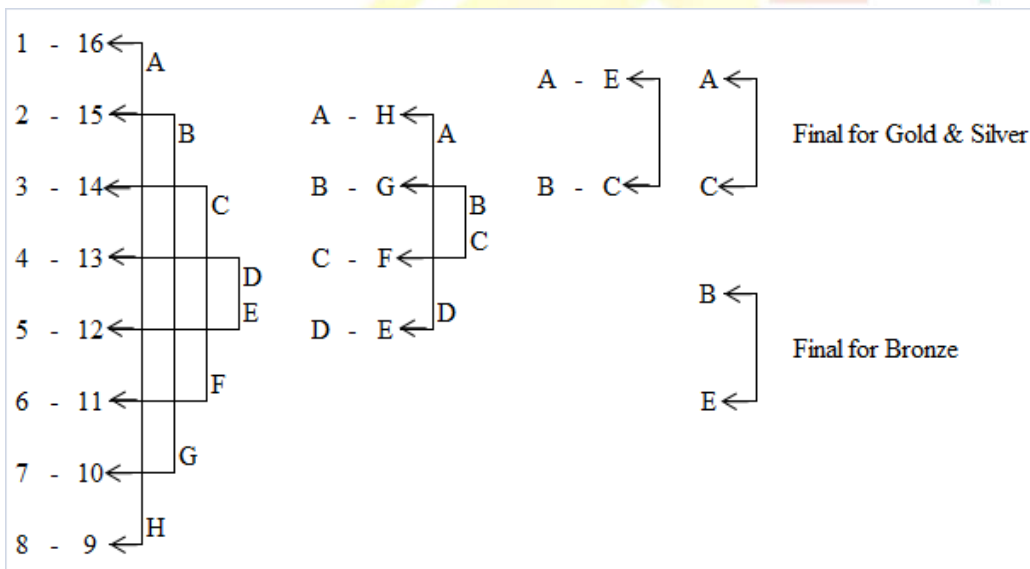

Similarly the riders not qualified are again grouped and given a chance in repechage round. Out of repechage round more riders are qualified and there after qualified riders are regrouped for the semi-finals race. Accordingly riders who qualify for the finals (not more than 6) race for the final position. The rider who first finishes the race is declared the winner and other riders are classified according to their finishing order.

6. Scratch Race:- The event is run on the track with the numbers of participants given start at the same time from the start line of the velodrome. Half of the participants are placed at the railing while other half are placed at blue band area to take start. First lap is considered as natural lap.

The race is run for a distance of 10 Km. for Junior Boys and 7.5 Km. for Junior Girls. The winner is declared among the rider finishes first the finish line during the race.

In case of any mishap a natural distance of 1300 mtr. is considered for the riders to re-join the race in same group

7. Sprint:- The Sprint event is conducted on the basis of the qualifying round of 200 Mtr. Time Trial on flying start. The time clocked by the riders during qualifying round as per the time clocked ranking will be given to participate in Sprint event. In Sprint event 2/3 riders will compete each other together. The winner will qualify for the next round. From Quarter final onwards the best of 3 heats is conducted as per the UCI Chart of the Sprint event.

ROAD

1. Individual Time Trial:- Individual time trial is conducted 30 Km. for the Men Category and 20 Km Women Category. Two entries from each team can be allowed in this event. Each participant should run against the time in a given distance at an interval of one minute between each rider. Rider clocking fastest time is declared winner. No rider is permitted to follow/ pace each other. Each team is allowed to take motorbike Commissaire along with for any technical support during the race. The team technician can carry extra wheel/ cycle to extend technical support in case of any mishap or mechanical defect. Classification of the riders is done on completion of final rider competing the event. In case of any technical mishap no restart is given.

2. Road Race Mass Start:- The Mass Start event is conducted for Under 21 Men and Women Category is 100 Km. and 70 Km respectively. The Under 17 Men and Women category is 70 Km. and 50 Km respectively. Each team can field 4 to 6 riders in Mass start event which is generally

held on a circuit of 10-12 Km. All the participants are given start at once and the rider finishing first are classified as winner. During the race of any technical mishap the riders can take technical support from team technician/ coach. Riders must ride in the race in a disciplined manner and in case a rider rides dangerously can be removed from the race without any warning. He can be disqualified. During last 10-20 Km of the race can be declared no feeding allowed from outside. The neutral support vehicles are provided by organizer during the race.

Football

Background

Introduction

Football, also called association football or soccer, game in which two teams of 11 players, using any part of their bodies except their hands and arms, try to maneuver the ball into the opposing team's goal. Only the goalkeeper is permitted to handle the ball and may do so only within the penalty area surrounding the goal. The team that scores more goals wins.

History

Modern football originated in Britain in the 19th century.

It made its official Olympic debut at the London Games in 1908, and it has since been played in each of the Summer Games (except for the 1932 Games in Los Angeles). In 1992 FIFA opened the Olympic football tournament to players aged less than 23 years, and four years later the first women's Olympic football tournament was held.

International Football governing body is Federation Internationale de Football Association (FIFA).

Football in India

The origin of football in India can be traced back to mid-nineteenth century when the game was introduced by British soldiers

The FIFA U-17 World Cup was organised in 2017 at six venues.

India is currently ranked 97 among the FIFA World Rankings, published in July 2017.

The Indian Super League, a tournament just recently recognized by AFC or FIFA, was founded in 2013 in an effort to make football a top sport in India and to make Indian football a major player worldwide.

The AIFF all India football federation is the NSF of India.

Venue and Date

MODE OF COMPETITION

The Boys and Girls Competitions will be played on league cum knock-out system i.e. Quarter finals, Semi-Finals, third place match and Final.

DURATION OF THE MATCHES

Each match shall last ninety (90) minutes, comprising of two (2) periods of

Forty-five (45) minutes (normal playing time) with an interval of fifteen (15)

Minute's in-between the two (2) periods, commencing from the whistle ending the first period and ending upon the whistle starting the second period.

POINTS IN LEAGUE MATCHES AND SYSTEM TO BREAK A TIE

- In the league stage of the Championship, three (3) points will be awarded for a win, one (1) for a draw and no points for a defeat.
- The classification will be determined based on following order.
- Higher number of points obtained.
- If the points are equal, then by the result of the matches between the concerned teams, with the team securing the highest points in these matches placed higher.
- If teams are tied up with points, even after the above (4.2.2), the team having a higher goal difference will be placed higher.
- If the goal difference is the same, the team with the higher number of goals scored will be placed higher.
- If still the winner cannot be decided, then the ranking will be decided by taking lots.
- If three (or more) teams are tied for the first or second place after the league matches and these teams have beaten or lost to each other (for example: team, a, b and c are tied in points, team a has beaten team b and lost to team c: team b has lost to team a and beaten team c and team c has beaten team a and lost to team b then Art. 8.2.1

will not be applicable and the classification will be decided by following the system in Art. 8.2.2,3,4 or5.

KNOCK OUT STAGE

- In the knockout stage of the competition, if at the end of the match the score remains tied, penalty kicks shall be taken to determine the winner.
- If the kicks from the penalty mark cannot be taken or completed then the result shall be decided by drawing of lots.

AGE VERIFICATION

- Base on the original documents submitted as proof of age, the organizers will verify the age of the players and will issue ID card.

SANCTIONS

- Teams who do not submit/carry the original documents as proof of age, will be disqualified from the competitions.

RESPONSIBILITIES OF THE PARTICIPATING TEAMS

- To submit original documents, to field only eligible players as per the eligibility criteria.

REGISTRATION OF PLAYERS & OFFICIALS FOR MATCHES

- Eighteen (18) players are allowed to register for each match (eleven first

team players and seven substitutes)

- A team must register Two (2) Goalkeepers in the Final Registration.
- Seven (7) substitutes and two (2) officials will be allowed to occupy the reserve bench.

SUBSTITUTION

- Maximum five (5) players may be substituted during a match, from all the remaining reserve players, who must be declared before the commencement of the match.

LAWS OF THE GAME

- All matches shall be played in accordance with the Laws of the Game laid down by the International Football Association Board (IFBA).

PROTESTS

- Protest relating to eligibility of players participating in the competition must be submitted to the Match Commissioner along with a valid proof with a copy to the Competition Manager Khelo India Youth games. Protest lodged without valid proof shall not be accepted.
- Protest against any incidents that occurs during a match shall be communicated orally by the team captain immediately after the disputed incident and before play has been resumed. The team Manager shall confirm such protests in writing to the Match Commissioner within two (2) hours after the match along with a valid proof.
- Protests lodged beyond the stipulated time (Art. 14/2) shall not be accepted.

- Protest against the state of pitch, the markings, the accessory equipment or the footballs shall not be made or accepted.
- No protest shall be made against referee's decisions regarding facts connected with play, such decisions being final.
- Once the winning team and the classification of the competition have been proclaimed, any protest lodged will be disregarded
- ARTDISCIPLINARY MATTERS
- Participating teams, players and officials are bound by the AIFF

Disciplinary Code.

- Infringement of any of these regulations shall be referred to the appropriate committee of Khelo India Youth Games.

CAUTIONS AND EXPULSIONS

- A player who receives two (2) cautions (yellow cards) during the
- Competition shall automatically be suspended for the match following the match in which he/she receives the second caution.
- A player expelled from the field of play by the Referee shall be suspended for the next match unless otherwise determined by the Disciplinary Committee (based on the Referees report on the gravity of the offence), which shall meet within twenty-four (24) hours of the match concerned.
- Cautions and Expulsions will be carried forward from one stage to another stage of the Competition.

- A suspended player and/or official shall not be allowed in the Team Dressing Room, on the substitution bench and technical area
- Each Participating Member Association shall bear the responsibility of monitoring the cautions and/or suspensions received by its players and officials and to ensure that all players and officials registered and/or fielded during the Competition are eligible to play.

APPEAL COMMITTEE

- Any matters related to appeals shall be referred to the Appeal Committee of the Khelo India Youth Games.

MEDALS

- The winners, runners up teams and the winners of third place match will be awarded medals.

INFORMATION

- All participating member teams are responsible for all information provided on their players. Any information found to be fraudulent will subject the offending team/s to sanctions as provided in the AIFF Disciplinary Code.

ANTI-DOPING

- Doping is prohibited. The KIYG Anti-Doping Regulations and all relevant directives in relation to anti-doping are applicable to the Competitions.

MEDICAL

- One (1) on-pitch Medical Officer trained in Emergency Medicine
- Eight (8) trained stretcher bearers in good physical condition
- Two (2) Ambulances equipped with emergency kits
- Stadium emergency medical room must be supported by Medical Officer and trained medical staff in Emergency Medicine.
- The organisers must provide an Automated External Defibrillator (AED). This is mandatory at all matches and must be placed next to the 4th official seat.

MATCH BALL

- The matches will be played with FIFA approved footballs.

FORCE MAJEURE

- Khelo India Youth Games organizing Committee is the only body capable of declaring a force majeure event.

MATTERS NOT PROVIDED FOR

- Matters not provided for in these regulations shall be decided by the Khelo India Youth Games Organizing Committee for Football Competitions.
- Pursuant to the Regulations of the Football Competition of Khelo India Youth Games, teams are forbidden from taking disputes to Civil Court, but may submit them to the appropriate body of the Khelo India Youth Games.

****Practice Sessions and Team Manager Meetings will be held one day prior to the start of the competition.***

GYMNASTICS

Background

Introduction

Gymnastics is a men's and women's sport that requires balance, strength, flexibility, agility, coordination, endurance and control.

History

2500 years ago where it was used in training to keep fit for sporting activities. In 1881 gymnastics became an “organized sport” when the Bureau of the European Gymnastics Federation, which would later become the International Gymnastics Federation (FIG) was formed. Men's gymnastics was on the schedule of the first modern Olympic Games in 1896, and it has been on the Olympic agenda continually since 1896. Olympic gymnastics competition for women began in 1928 with Team competition event, and in 1952 competition for the separate events was added

The Federation Internationale de Gymnastique (FIG) is the governing body of competitive gymnastics.

Gymnastics in India

Gymnastics came of age in India, when at the 2010 Commonwealth Games, Ashish Kumar won a silver medal in floor exercises and bronze medal in Vaulting table and also he won bronze medal in Asian Games in 2010. Alongside Ashish, the Commonwealth Games 2014 also saw the rise of counterpart female gymnasts from India. Gymnast Dipa Karmakar also scored a bronze medal in the Gymnastics at the 2014 Commonwealth Games – Women's Vault making her the first ever female Indian gymnast to do so. Her brilliant attempt of landing the Produnova in her second attempt at Vault gave her average score of 14.366, making her one of the few gymnasts in the world to land Produnova on their feet successfully.

Karmakar is one of the only five women who have successfully landed the Produnova, which is regarded as the most difficult vault currently performed in women's gymnastics.

Venue and Date

Selection Criteria of Gymnasts

Competition Format:

- There will be only Individual All Around Competition & Individual Apparatus Finals. There will be NO Team Competition.
- All the gymnasts will participate in Competition -I (Qualifying Competition). The following will be decided in the Qualifying Competition (Competition -1):
 - A) Individual All Around Championships
 - B) Selection of the best 8 gymnasts on each apparatus (not more than two from One State) for the APPARATUS FINALS.
- There will be Competition -III (INDIVIDUAL APPARATUS FINALS) to decide the Apparatus Championships

Evaluation of Performances on each Apparatus. The performances on each apparatus will be evaluated as per the FIG Rules of 14th Cycle for the juniors.

Tie Breaking Rules:

In case of Tie at any place, Tie Breaking Rules of International Gymnastics Federation (FIG) will be applied to break Tie.

****Practice Sessions and Team Manager Meetings will be held one day prior to the start of the competition.***

Hockey

Background

Introduction

Hockey is a team sport consisting of 18 players each where the two teams play against each other by trying to maneuver a ball into the opponent's goal using a hockey stick.

History

Hockey is believed to date from the earliest civilizations. The Arabs, Greeks, Persians, and Romans each had their own versions and traces of a stick game played by the Aztec Indians of South America have been found. Hockey began to be played in English schools in the late 19th century.

Men's field hockey was included in the Olympic Games in 1908 and 1920 and then permanently from 1928. The first Women's World Cup was held in 1974, and women's hockey became an Olympic event in 1980.

Hockey in India

Hockey in India is administered by the apex body of the country, Hockey India (HI) where they have a sole mandate of conducting all the activities for both Men's & Women's hockey in the country. Hockey India is affiliated to Asian Hockey Federation (AHF), International Hockey Federation (FIH), Ministry of Youth Affairs and Sports, Government of India and Indian Olympic Association (IOA). Hockey in India refers to all levels of men's and women's hockey, all senior, junior and sub-junior levels along with grassroots. Men's Hockey National team won its first Olympic Gold medal in the year 1928. From then on till the year 1956, the team remained unbeaten in the Olympics, gaining six Gold medals in a row. The Indian team has won a total of eight Gold, one Silver and two Bronze medals in the Olympics Games. India hosted the 2018 FIH Men's World Cup in Bhubaneswar, Odisha. The Indian Women's Hockey Team is the national women's team representing hockey in India. The national women's team is the team that represents India in international field hockey competitions. The team has qualified for the 2016 Summer Olympics for the first time since the 1980 Summer Olympics..

In a shoot-out competition, five players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result.

****Practice Sessions and Team Manager Meetings will be held one day prior to the start of the competition.***

JUDO

Background

Introduction

Judo, Japanese jūdō, system of unarmed combat, now primarily a sport. The rules of the sport of judo are complex; the objective is to cleanly throw, to pin, or to master the opponent, the latter being done by applying pressure to arm joints or to the neck to cause the opponent to yield.

History

Judo was created as a physical, mental and moral pedagogy in Japan, in 1882, by Jigoro Kano. Men's judo competitions were first included at the Olympic Games in Tokyo in 1964 and were held regularly from 1972. World judo championships for women began in 1980, introduced as a demonstration event at the 1988 Seoul Olympics and women's Olympic competition began in 1992.

The international governing body for judo is the International Judo Federation (IJF), founded in 1951.

Judo in India

Judo is a sport which is widely played in India. The first written record about Judo in India in Kodokan is about demonstrations and coaching of Judo by Shinzo Tagaki arranged at Shanti Niketan in 1929 by Rabindranath Tagore.

India got four bronze medals for their country in 1986 Seoul Asian Games. It was a milestone for the team India and since then, India has been performing continuously at the international judo events.

India hosted the 2018 Commonwealth Judo Championships in Jaipur, besides organizing the Asian Cadet and Asian Junior Judo Championships in September in Kerala this year.

Some of the popular Judo Players in India are Garima Chaudhary, Akram Singh, Navjot Chana, Shushila Likmabam and Tomi Devi.

Kabaddi

Background

Introduction

Kabaddi is a contact team sport that originated in the Indian subcontinent. Kabaddi is derived from Kannada word *kaihidi* which means to hold hands. Two teams compete, each occupying its own half of the court. They take turns sending a "raider" into the opposing team's half and earn points if the raider manages to touch opposing team members and return to the home half, all while chanting word "kabaddi". However, if the raider is tackled and prevented from returning, the opposing team gets the point

History of Kabaddi in India

The game received international exposure when it was demonstrated by an Amravati-based sports organization at the 1936 Olympic Games in Berlin, and it was included as an event in the Indian Olympic Games held in Calcutta (now Kolkata) two years later. Following its formation in 1950, the Kabaddi Federation of India organized national championships for men beginning in 1952 and for women beginning in 1955.

In the late 20th century the popularity of organized *kabaddi* began to expand beyond India's borders, in part through the efforts of the Amateur Kabaddi Federation of India, formed in 1972. That same year *kabaddi* was designated the national game of Bangladesh. With the establishment in 1978 of the Asian Amateur Kabaddi Federation, a regional championship was organized, and national *kabaddi* teams began to compete in the Asian Games in 1990. The first Women's Kabaddi World Cup was held in Patna, India in 2012. India won the championship, defeating Iran in the finals.

The Pro-Kabaddi League is a franchise-based professional kabaddi league in India. PKL is definitely good for promoting Kabaddi Sports and to help energies sport among the youth. India won Gold medals Asian Games in 1990, 1994, 1998, 2002, 2006, 2010. and 2014. India has won six Kabaddi World Cups till now. The International Kabaddi Federation is the international governing body of Kabaddi.

U-17 Boys	56 Kgs
U-17 Girls	56 Kgs

A total of 08 teams will participate in the Kabaddi Event. The 08 Teams will be divided into 02 groups.

Each Team will play a total of 03 league matches.

Semi Finals

The Top 02 Teams of each group will qualify for Semi Finals.

- Boys section – 2 Semi – final matches
- Girls section – 2 Semi – final matches

Finals

- Final - Between Winners of the two Semi-final matches.
- Final - Between Winners of the two Semi-final matches.

The point system for the league matches will be as under:

TOURNAMENT POINTS SYSTEM

- In the group stages, the winning team will score 5 league points; and the losing team will score zero point, if the margin of victory is more than 7 points.
- In the group stages, the winning team will score 5 league points; and the losing team will score 1 point, if the margin of victory is 7 or less than 7 points.
- In case of a tie, both teams will score 3 league points each.
- In case of a tie, during the group stages, the team to qualify for the semi-final will be decided by the differential score calculated as the difference between total points won and total points conceded. The team with a higher differential score will qualify for the semi-final.
- In case of a tie even after differential score has been considered, only total points scored will be considered and the team that has scored more points will qualify for the semi-finals.

GOLDEN RAID

- In the event of a tie at end of Extra Time, the Golden Raid comes into play-
- The referee will conduct a fresh toss. The team that wins the toss will have the chance to perform a GOLDEN RAID: A winner takes all raid, where the team that scores more points than the other, in that single raid, will be declared the winner.
- Both the teams will field 7 Players in the Half.
- The baulk line shall be treated as Bonus Line and all the Bonus point rules shall be followed.
- If there is a tie after the first Golden Raid, then the opponent team will get a chance for the Golden Raid.
- If the game is still tied after both teams have been given a chance for Golden Raid, the winner will then be decided by a toss.
- The out or revival rule will not be applicable, only points scored will be counted.

****Practice Sessions and Team Manager Meetings will be held one day prior to the start of the competition***

Kho-Kho

Background

Introduction

Kho-Kho is a tag sport from the Indian subcontinent. It is played by teams of twelve players, of which nine enter the field, who try to avoid being touched by members of the opposing team. It is one of the two most popular traditional tag games of the South Asia, the other being kabbadi. Apart from South Asia, it is also played in South Africa.

History Kho-Kho in India

The first kho-kho tournaments were organized in 1914, and the first national championship was held in 1959 at Vijayawada under the auspices of the Kho-Kho Federation of India (KKFI), which was formed in 1955. Ever since, the KKFI has made great efforts to popularize the game, which is now played across India at various levels, from schools to the national team. *Kho-kho* was included as a demonstration sport at the Berlin 1936 Olympic Games and at the South Asian Federation (SAF) Games in Calcutta (Kolkata) in 1987. It was during the SAF Games that the Asian Kho-kho Federation was formed, which later helped popularize *kho-kho* in Pakistan, Bangladesh, Nepal, and Sri Lanka.

The 1st Asian Championship was held at Kolkata in 1996 and the second championship at [Dhaka] in Bangladesh. India, Sri Lanka, Pakistan, Nepal, Japan, Thailand and Bangladesh were participants of this championship.

A number of players have bagged the Arjuna Award. Some of these players are:

Shri Shekhar Dharwadkar, Shri ShrirangInamdar, Usha Nagarkar, Nilima Sarolkar, Achala Devare.

Indian men's and women's team have won gold medal in 12th South Asian Games 2016. The Men & Women kho-kho team has won the 3rd Asian Kho-Kho Championship 2016 which was held in Indore.

Lawn Bowl

Background

Introduction

Bowls or lawn bowls is a sport in which the objective is to roll biased balls so that they stop close to a smaller ball called a "jack" or "kitty". It is played on a bowling green which may be flat (for "flat-green bowls") or convex or uneven (for "crown green bowls"). It is normally played outdoors (although there are many indoor venues) and the outdoor surface is either natural grass, artificial turf, or cotula (in New Zealand). Lawn bowls is usually played on a large, rectangular, precisely levelled and manicured grass or synthetic surface known as a bowling green which is divided into parallel playing strips called rinks.

History

The patenting of the first lawn mower in 1830, in Britain, is strongly believed to have been the catalyst, worldwide, for the preparation of modern-style greens, sporting ovals, playing fields, pitches, grass courts, etc. This in turn led to the codification of modern rules for many sports, including lawn bowls, most football codes, lawn tennis and others.[4]

National Bowling Associations were established in the late 1800s. In the then Victorian Colony (now State of Victoria in Australia), the (Royal) Victorian Bowling Association was formed in 1880 and The Scottish Bowling Association was established in 1892, although there had been a failed attempt in 1848 by 200 Scottish clubs.

Today the sport is played in over 40 countries with more than 50 member national authorities. The home of the modern game is still Scotland with the World Bowls centre in Edinburgh at Caledonia House, 1 Redheughs Rigg, South Gyle, Edinburgh, EH12 9DQ.

Lawn Bowl in India

A National Federation, Bowling Federation of India was formed on 21st. November 1985. The Federation got affiliated to The Indian Olympic Association followed by affiliation to the World Body in 1990. Many vintage inter-state Bowls Championship are still held since their inception in the early 19th. In India Bowling is regulated by Bowling Federation of India (BFI).

KHELO INDIA LAWN BOWLS EVENTS (Both Men & Women)

- Singles: Four bowls per player, 21 shots up, in excess of 21 shots shall not count.
- Pairs: Three bowls per player, 15 ends.
- Triples: Two bowls per player, 15 ends.
- Fours: Two bowls per player, 15 ends.
- Mixed Pair: Three bowls per player, 15 ends.
- Mixed Triples: Two bowls per player, 15 ends.

A time limit of two hours (not including trial ends) will apply to all sectional matches for all disciplines. Time limits will not apply to knockout matches; however, delaying (slow) play rules will still apply.

TEAM COMPOSITION: (PER TEAM)

Men's: 5 Players, 1 Coach: Total 6 (Maximum)

Women's: 5 Players, 1 Coach: Total 6 (Maximum)

Team Manager: 1(One)

Entered players must remain in the disciplines as confirmed at the Lawn Bowls Technical Meeting. After this time, changes will only be allowed relating to the team order within each team, between rounds. This must be submitted to Competition Management at least 45 minutes before the respective round.

Main Draw - Traditional Play (five players per team)

Each player can compete in a maximum of two disciplines in their Gender Competition. The Singles and Fours events for each gender will be conducted concurrently, as will the Pairs and Triples. Each team/players shall have to play multiple matches per day.

ENTRIES, REPLACEMENT AND SUBSTITUTE PLAYERS

No changes to team personnel will be allowed once the Lawn Bowls Technical Meeting has been held. Any player/team that is unable to begin or complete a match shall forfeit the game and the points for that game/or not progress through to the next round. If a game is forfeited, the non-offending player or team will be awarded two match points and a net total of shots that is equal to the average net total of shots scored by the winners of all other games played in the same round of the same section.

BOWLS

Organizers will be providing bowls to all the Teams/Players.

ARRANGEMENT FOR PRACTICE

According to the Law 13 of Sport of Bowls. Training will only be permitted on the competition greens prior to the first day of play. From the first day of competition onwards, training will not be allowed on Green.

THE GREEN: The Matches will be played on Synthetic carpet at Outdoor.

DRAW

- a) Teams will be divided into sections if the number of entry in any event is more than 8 otherwise round Robin League matches will be organised. In that case there shall be no final or semi-finals separately.
- b) In draws where there are sections, the first placed teams in each section will play with the second ranked team in the opposite section and vice versa for each event.
- c) Winning semi-finalists will play off for Gold and Silver medals. Losing semi-finalists will be awarded with bronze medal.
- d) All players will be given a final ranking based on the World Bowls criteria from the sectional play results for those who do not reach the finals, and based on the quarter final result for those teams that lose in the quarter final.

FORMAT OF PLAY

- a) From Semi Final games onwards in case of sectional plays if Pairs, Triples or Fours game scores are equal after the prescribed number of ends, an extra end will be played to determine the winner.
- b) In the case of delay due to extreme weather, the time limit relates to the length of time allowed for match play on the green. Any time off the green will not be considered towards this time.
- c) A horn will sound to indicate the commencement of play, and then again to indicate the end of the time limit.
- d) Any player/team arriving after the official start time shall lose the right to play trial ends.
- e) Any player/team arriving at the green more than 15 minutes after the official starting time shall forfeit the game and the points for that game or not progress through to the next round. If the late attendance of players is the fault of the OC, Jury of Appeal will decide.
- f) If a game is forfeited, the non-offending player or team will be awarded three match points and a net total of shots that is equal to the average net total of shots scored by the winners of all other games played in the same round of the same section.
- g) If any team is disqualified completely from the competition during the sectional play phase, all of the completed match results for the disqualified team will be removed.
- h) During sectional play, matches must be played to the completion of the required number of ends or the time limit. During knockout stages, once a winner is determined (that is, it is mathematically impossible for the opponent to win or draw the match), the match will finish regardless of the number of ends played.
- i) In each match the winner shall be awarded 3 Points and 1 point each in case of a Tie in League round matches.

RINK ALLOCATIONS

Rink allocations are subject to change at any time prior to the trial ends for a specific round, at the discretion of the competition Manager.

SCORING

- a) The player or team with the greatest number of games won is the winner of the section/group. All other players or teams will be ranked accordingly.
- b) If games won are equal, then the player or team with the highest number of points will be ranked higher (Three points will be awarded for a win, one point for a draw).
- c) If games won and points are equal, then the player or team with the highest net total of shots ('shots for' minus 'shots against') will be ranked higher.
- d) If games won, points, and net total of shots are all equal, then the player or team with the lowest number of 'shots against' will be ranked higher.
- e) If there is still equality having applied the criteria described in points (1) to (4) above, then the player or team that won the game between the players or teams that are equal will be ranked higher.
- f) If the game between the players or teams that are equal is drawn, then the first player or team in the drawn game to win an end will be ranked higher.

PROCEDURE FOR APPLYING TIME LIMITS

A horn will be used by the designated timekeeper to signal the official start of play and after completion of the allocated time, the designated timekeeper will use a horn to signal the end of play. At this time players will complete the current end they are playing. The start of an end is determined by the delivery of the jack by the first player in that end.

TRIAL ENDS

One trial end in each direction will be allowed for all games in accordance with Law 18.1 of Lawn Bowl rules & regulation. In trial ends players can use any combination of bowls taken from different sets so long as all bowls are registered and carry a registered World Bowls stamp of either the current year or a future year. Trial ends will commence 15 minutes before the official start time of the round.

ALTERATIONS TO THE FORMAT & LENGTH OF GAMES

- a) The Organizers reserves the right to alter the format, times of play and greens to suit local unforeseen circumstances, giving as much notice as practical.

b) When a match in progress is interrupted or cannot be completed due to inclement weather or local conditions, the Organizers may amend the format and length of games to achieve a result.

RESTRICTING MOVEMENT OF PLAYERS DURING PLAY

a) Prior to the start of each end, the following players will take their position at the mat-end of the green:

- Pairs game: the leads
- Triples game: the leads and the seconds
- Fours game: the leads and the seconds.

b) After delivering their first bowl, players will only be allowed to walk up to the head under the following circumstances.

- Singles
- The opponents: after delivery of their third and fourth bowls.
- Pairs (each player playing three bowls)
- the leads: after delivery of their third bowl; and
- The skips: after delivery of their second and third bowls.
- Triples (each player playing two bowls)
- the leads: after the second player in their team has delivered their second bowl;
- the seconds: after delivery of their second bowl; and
- The skips: after delivery of each of their bowls.
- Fours (each player playing two bowls)
- (Skip & 3rd can stay at head but the 3rd will have to move to mat after the bowls of second gets completed.)
- the leads: after the second player in their team has delivered their second bowl;
- the seconds: after delivery of their second bowl;
- the thirds: after delivery of their second bowl; and
- the skips: after delivery of each of their bowls

In exceptional and limited circumstances, a skip can ask that a player walks up to the head, or a player to the marker in Singles, earlier than described above. If a player does not meet the terms of this law, Law 35 will apply.

DELAYING (SLOW) PLAY

Players are required to play without undue delay and in a manner which does not prevent their opponents from being able to complete the requisite number of ends within the time limit prescribed by the Controlling Body. The following conditions will apply in cases where players fail to meet this requirement.

a) The umpire, on appeal by one of the skips or one of the team managers or coaches that their team is being prevented from playing all their bowls within the time prescribed for the game due to the actions of their opponents, or on appeal by the Controlling Body as a result of its own observation, will notify the offending team that they are being 'put on the stopwatch' on completion of any end in progress.

- b) When notification has been given, the offending team will be required to deliver all their bowls in each of the remaining ends within a four minute time period (15-end games). Timing will be undertaken by a technical official specifically allocated for that purpose.
- c) In each end, timing will start as soon as the jack has been properly delivered and centered (if the offending team is the first to play in an end) or as soon as the non-offending team's first bowl has come to rest (if the non-offending team is the first to play in an end). Thereafter, timing will continue whenever the offending team is in possession of the rink, and will stop when the offending team's last bowl of the end has been delivered.
- d) No timing will occur during any interventions by the umpire (for example, to check a short jack or a line bowl) or any interventions by a team manager or coach.
- e) The timing official will advise the offending team when the time remaining in any end reaches one minute.
- f) At the end of the four / five minute period (15-end games) the offending team will forfeit any bowls remaining to be delivered in that end. The non-offending team will, however, deliver their remaining bowls to complete the end.

RE-SPOTTING THE JACK

- a) If a jack in motion passes completely outside the boundaries of the rink of play, comes to rest in any hollow in the face of the bank, or rebounds to a distance of less than 20 metres from the mat line, the end should not be declared dead. Instead, the jack should be placed with the nearest point of the jack to the mat line at a spot on the rink which is two metres from the front ditch and on the centre line and play should continue.
- b) If the spot mentioned in paragraph one is partly or completely covered by a bowl, the jack should be placed as close as possible to the covered spot, in line with that spot and the corresponding spot at the opposite end of the rink, without touching a bowl.
- c) The spots mentioned in paragraph one should be marked using chalk or some other suitable method.

LEAVING THE RINK OF PLAY

If a player wishes to leave the rink of play, Law 51.1 will apply. However, if on more than one occasion, then on each occasion after the first they can do so only with their opponent's and the umpire's permission. The umpire's permission will be granted in consultation with the player's team manager or coach when they are present.

MINIMUM LENGTH OF END

The international standard of minimum length of end (23 metres) shall apply.

MARKING TOUCHERS

Spray chalk or chalk will be used to mark touchers in all Singles games and is the preferred method for marking touchers in all team games.

JURY OF APPEAL

A Jury of Appeal shall be appointed for the purpose of deciding upon any points not provided in the conditions of play and/or for dealing with any referrals or appeals from decisions made by umpires and/or the Organizers. In the event of a referral or appeal such referrals or appeals shall be made in accordance with the Laws of the Sport of Bowls and any World Bowls Regulations. The Jury of Appeal will be formed by the Organising Committee & competition manager.

In an emergency situation any three members of the Jury of Appeal may constitute a quorum.

The functions of the Jury of Appeal shall be to:

- a) Hear and determine any allegation of misconduct properly made under the Conditions of Play, Laws of the Sport of Bowls or the World Bowls Articles of Association and Regulations.
- b) Hear and determine any disputes.
- c) Hear and determine any appeals.

OTHER

All other Laws, Regulations & Policies other than stated above shall conform to the World Bowls Articles of Association, Regulations and the Laws of the Sport of Bowls Crystal Mark Second Edition as approved by World Bowls.

Shooting

Background

Introduction

A shooting sport is a competitive sport involving tests of proficiency (accuracy and speed) using various types of guns, such as firearms and air guns. Shooting sports are categorized by the type of firearm, target, and distance at which the targets are shot.

History

Shooting at a mark as a test of skill began with archery, long before the advent of firearms (c. 1300). The early history of the sport is largely that of shooting with rifles. The earliest recorded shooting match is one held in Eichstätt, Bavaria, in 1477; the shooters, probably using matchlocks, competed at 200 metres (220 yards). Shooting has been an Olympic sport since the modern games began in 1896. Early Olympic shooters were men, but women were not banned, and in the 1976 Games an American woman won the silver medal for rifle (three positions) having won the world's championship. ISSF (International Shooting Sport Federation) is the international governing body of shooting sports.

Shooting in India

Shooting is an important Olympic sport in India. Of India's 26 Olympic medals, 4 have come from Shooting. Indian shooters who have excelled at the world stage include Abhinav Bindra, Jitu Rai, Vijay Kumar, Gagan Narang, Apurvi Chandela, Ronjan Sodhi, Anjali Bhagwat, Heena Sidhu, P.N. Prakash. Rajyavardhan Singh Rathore won Silver medal at 2004 Olympics Athens. It was India's first ever individual silver at the Olympics. Abhinav Bindra won India's first individual gold medal in the 2008 Summer Olympics Beijing. Vijay Kumar won Silver medal at 2012 London Olympics and Gagan Narang won Bronze medal at 2012 London Olympics. Anjali Bhagwat former world No.1 in 10m Air Rifle event represented India in three consecutive Olympics. The sport is administered in India by The National Rifle Association of India (NRAI). Mr. Abhinav Bindra participated continuously in Olympic Games from the year 2000-2016 (five times). Gagan Narang also participated four times in Olympic Games from 2004-2016.

SWIMMING

Background

Introduction

Swimming, in recreation and sports, the propulsion of the body through water by combined arm and leg motions and the natural flotation of the body.

History

Archaeological and other evidence shows swimming to have been practiced as early as 2500 bce in Egypt and thereafter in Assyrian, Greek, and Roman civilizations. Internationally, competitive swimming came into prominence with its inclusion in the modern Olympic Games from their inception in 1896. Olympic events were originally only for men. Women's swimming was introduced into the Olympics in 1912; the first international tournament for women outside the Olympics was the 1922 Women's Olympiad.

FINA or Fédération internationale de natation is the international federation recognized by the International Olympic Committee (IOC) for administering international competition in water sports.

Swimming in India

The Swimming Federation of India (SFI) is the central governing body for promotion and administration of swimming sport in India.

Vidhawa IKhad, Sandeep Sejwal, Sajan Prakash, Shikha Tandon, Rehan Poncha are some popular swimmers of India.

Sandeep Sejwal won bronze medal at Asian games 2014. India has won 45 medals with 23 gold medals at south Asian games 2016.

Venue and Date

Dr. Zakir Hussain Aquatic Complex, Guwahati, Assam from 17th to 22nd January 2020.

For U-17

- A total of 16 Participants will participate in each event.
- Each event starts with a preliminary round of heats (prelims).
- The eight fastest swimmers from the two heats advance to the final.
- In the event of a tie for 8th place in prelims, tied competitors swim an additional head-to-head race to determine who advances (a "swim off").

For U-21

- A total of 8 Participants will participate in each event.

***Practice Sessions and Team Manager Meetings will be held one day prior to the start of the competition.**

Table-Tennis

Background

Introduction

Table tennis, also known as ping-pong, is a sport in which two or four players hit a lightweight ball back and forth across a table using small bats.

History

Table tennis first appeared at the Rome 1960 Paralympic Games and took almost 30 years to finally become an Olympic sport, in Seoul 1988. Table tennis was invented in England around 1880, as an improvised after-dinner game using a champagne-cork ball, cigar-box lids as bats and piles of books as a net. Table tennis is considered the most popular racquet sport in the world, with over 300 million players in five continents. The top players can spin the ball at up to 9,000 revolutions per minute.

Table- Tennis in India

Table Tennis Federation of India or in short TTFI was established in Kolkata in 1937. It is the central body for the administration and promotion of table tennis in India. TTFI formerly known as All India Table Tennis Association (AITTA) got rechristened after the country got independence. Since then it has been putting sincere effort in promoting and upbringing the standard of table tennis in India. TTFI is an active member of the International Table Tennis Federation (ITTF).

Although the sport is popular in national level and having hardworking dedicated players, it lacks major success at international platform. This has resulted in stagnation and popularity of game has confirmed to players and youth only. At the team level, India's most cherished performance has been the World Championships in Gothenburg, where it was placed at the 12th position. One of the milestones achieved by the country was hosting World Championships in Mumbai in 1952. It was held for the first time in Asia. India hosted World Championships three times is a tribute to the organizational efficiency present in the game. We hope in near future India bring glory to the sport.

Tennis

Background

Introduction

Tennis is a racket sport that can be played individually against a single opponent (singles) or between two teams of two players each (doubles). Each player uses a tennis racket that is strung with cord to strike a hollow rubber ball covered with felt over or around a net and into the opponent's court. The object of the game is to maneuver the ball in such a way that the opponent is not able to play a valid return. The player who is unable to return the ball will not gain a point, while the opposite player will

History

Augurio Perera's house in Edgbaston, Birmingham, where he and Harry Gem first played the modern game of lawn tennis. Between 1859 and 1865 Harry Gem, a solicitor and his friend Augurio Perera developed a game that combined elements of racquets and the Basque ball game pelota, which they played on Perera's croquet lawn in Birmingham, England, United Kingdom.[11][12] In 1872, along with two local doctors, they founded the world's first tennis club on Avenue Road, Leamington Spa. This is where "lawn tennis" is used as a name of activity by a club for the first time. After Leamington, the second club to take up the game of lawn tennis appears to have been the Edgbaston Archery and Croquet Society, also in Birmingham.

Tennis in India

Tennis has been a popular sport in India since around the 1880s when the British Army and Civilian Officers brought the game to India. Soon after regular tournaments like the 'Punjab Lawn tennis Championship' at Lahore 'Bengal Lawn Tennis Championship' at Calcutta (now Kolkata) (1887) and the 'All India Tennis Championships' at Allahabad (1910) were organized. In the history of major tournaments, India has already beaten among others France, Romania, Holland, Belgium, Spain and Greece in Davis Cup ties (1921 to 1929). In the 1960s, the sport witnessed a golden era. Ramanathan Krishnan earned his highest seeding – No. 4 in Wimbledon in 1962. In the Davis Cup, India repeatedly became the Zonal Champions. Ramanathan Krishnan, along with Premjit Lal, SP Misra, Jaidip and RK Khanna as the non-playing captain, steered India to the Cup finals in 1966.

Venue and Date

Tennis Court , Chachal Guwahati Assam from 17th to 22nd January 2020.

Volleyball

Background

Introduction

Volleyball is a team sport in which two teams of six players are separated by a net. Each team tries to score points by grounding a ball on the other team's court under organized rules.

History

Volleyball was invented in 1895 by William G. Morgan, physical director of the Young Men's Christian Association (YMCA) in Holyoke, Massachusetts. International volleyball competition began in 1913 with the first Far East Games, in Manila.

The history of Olympic volleyball traces back to the 1924 Summer Olympics in Paris, where volleyball was played as part of an American sports demonstration event. Volleyball became an Olympic sport for both men and women at the 1964 Olympic Games in Tokyo.

The Fédération Internationale de Volleyball FIVB, is the international governing body for the sports of indoor, beach and grass volleyball.

Volleyball is a sport played all over India, both in rural as well as urban India. It is a popular recreation sport. India is ranked 5th in Asia, and 27th in the world. Doing well in the youth and junior levels, India came in second in the 2003 World Youth Championships. Currently, a major problem for the sport is the lack of sponsors. The Indian senior men's team is currently ranked 39th in the world.

Volleyball in India

A league has been started in India for volleyball with six teams participating in four round robin format at four different venues (Bangalore, Chennai, Hyderabad and Yanam), i.e. one round at one venue. It is called Indian Volley League. The teams come from Chennai, Hyderabad, Mumbai and Yanam and two state teams Karnataka and Kerala.

Venue and Date

Nabin Chandra Bordoloi Indoor Hall, SS Complex, Guwahati, Assam from 9th to 15th January 2020.

The point system for the league matches will be as under:

A team earns two points for a win, one point for a loss and zero points for a forfeit.

****Practice Sessions and Team Manager Meetings will be held one day prior to the start of the competition.***

WEIGHTLIFTING

Background

Introduction

Weightlifting is an athletic discipline in the modern Olympic Programme in which the athlete attempts a maximum-weight single lift of a barbell loaded with weight plates.

History

The origins of modern weightlifting competition are to be found in the 18th- and 19th-century. The first male world champion was crowned in 1891.

By 1891 there was international competition in London. The revived Olympic Games of 1896 included weightlifting events, as did the Games of 1900 and 1904, but thereafter these events were suspended until 1920. In 1920, weightlifting returned to the Olympics and, for the first time, as an event in its own right. A weightlifting competition for women was added to the Olympic Games in 2000.

Weightlifting in India

In the 1936 Berlin Olympic Games, Indian weightlifting team participated for the first time. Similarly, in the Asian games India participated in 1951 games held in Delhi and in the Commonwealth Games in 1966, at Kingston. Indian Women weight lifters competed in the World Championship for the first time in 1989 at Manchester although it started in 1987. Karnam Malleswari won a bronze medal in the 2000 Summer Olympics at Sydney, which made her the first Indian woman to win an Olympic medal.

Karnam Malleswari, Kunjurani Devi, Mirabai Chanu, Sanjita Chanu, Sathish Sivalingam are the popular names in Indian Weightlifting Sport.

A maximum total of 13 participants in U-17 and 7 participants in U-21 for each weight category (Both Boys and Girls), will take part in the Weightlifting Competition.

THE RULES

The Weightlifting competition will be held in accordance with the IWF Handbook 2017–2020: Technical and Competition Rules available at www.iwf.net and modified rules thereof.

FORMAT

Each competition consists of two (2) parts: the Snatch and the Clean and Jerk, with a 10-minute break between them. Each athlete may make three (3) attempts in both parts of the competition unless they fail to make a valid lift in the Snatch, in which case they are eliminated and may not compete in the Clean and Jerk.

The order of calling for the athletes in competition is determined by four (4) factors, in the following order of priority: the weight of the barbell (lightest weight first); the number of the attempt (lowest first); the order of the athletes' previous attempts (the athlete who lifted earlier comes first); and the lot number of the athlete (lowest first).

Athletes are allowed one (1) minute, or two (2) minutes if making consecutive attempts, between the calling of his or her name and the start of each attempt. Three (3) referees adjudicate each lift, with the lift's validity decided on majority. The best results in each type of lift (measured in kilograms) are added together to give a total for each athlete, which determines the rankings in the competition. In the case of a tie, the athlete with the lighter bodyweight will be ranked higher. If two (2) or more athletes with the same bodyweight are tied, the athlete who reached the total first will be ranked higher.

WEIGH-INS

The weigh-ins for each bodyweight category will be conducted by technical officials from the IWF at the competition venue two (2) hours before the start of each medal event, and will last one (1) hour. Athletes will have access to the test scale before the official weigh-in. If any athlete fails to make the bodyweight of the category in which he or she is officially entered, he or she will be excluded from the competition.

****Practice Sessions, Weigh-ins and Team Manager Meetings will be held one day prior to the start of the competition.***

WRESTLING

Background

Introduction

Wrestling is a combat sport involving grappling type techniques such as clinch fighting, throws and takedowns, jointlocks, pins and other grappling holds.

History

Wrestling represents one of the oldest forms of combat. The origins of wrestling go back 15,000 years through cave drawings in France. Wrestling was part of the Olympic Games from 776 BCE.

The first organized national wrestling tournament took place in New York City in 1888, and wrestling has been an event at every modern Olympic Games since the 1904 games in St. Louis, Missouri (a demonstration had been performed at the first modern Olympics). The international governing body for the sport, United World Wrestling (UWW), was established in 1912 in Antwerp, Belgium as the International Federation of Associated Wrestling Styles (FILA).

Wrestling in India

Wrestling has been popular in India since ancient times; it was mainly an exercise to stay physically fit.

Khashaba Dada saheb Jadhav, Satpal Singh, Sushil Kumar, Yogeshwar Dutt, Sakshi Malik, Geeta Phogat, Babita Phogat, is the most popular name in Indian wrestling sport.

Khashaba Dada saheb Jadhav won Bronze medal in 1952 Olympics. It was the first Olympic medal in wrestling.

Satpal Singh won Gold medal in 1982 Asian Games.

Sushil Kumar won Bronze medal in 2008 Olympics and Silver medal in 2012 Olympics. He became the first Indian who won medals in two consecutive Olympics.

Yogeshwar Dutt won Bronze medal in 2012 Olympics.

Sakshi Malik won Bronze medal in 2016 Olympics and became first female Indian wrestler to win medal at Olympics.

Venue and Date
