

**GUIDELINES FOR THE DEVELOPMENT OF FOOTBALL FIELD IN ASSAM
UNDER CHIEF MINISTER SAMAGRA GRAMYA UNNAYAN YOJANA
(CMSGUY)**

BACKGROUND :

Assam Youth Development Mission Society (AYDMS) formed under Chief Minister Samagra Gramya Unnayan Yojna (CMSGUY) has decided to develop one playfield for the promotion of Games and Sports in the State through Sports & Youth Welfare Department, Govt. of Assam. It has been decided to develop 500 Nos. of Football playfields during 2017-18 in the first phase of operation of the scheme.

It has been proposed to develop one football playground and playing facilities like Volleyball Courts having dressing room, store-cum-office and toilet facilities. A boundary wall will also be provided for the protection of the playground.

The Schools, Colleges, Clubs and other Sports Organizations having playgrounds measuring minimum of 120 Mtrs. in length x 90 Mtrs. in breadth will be considered for development. The Schools, Colleges and Clubs having requisite suitable land area can apply in prescribed format to take up the scheme for the up-gradation of their playgrounds. The draft format has been enclosed as **Annexure-I**.

The interested Schools, Colleges, Clubs and other Sports Organizations can apply to the District Sports Officers (DSOs) in prescribed format.

The games and sports commonly popular in Assam are Football and Volleyball. Selection Committee proposed to be constituted for selection of playfield within the District:

(I) District Level Selection Committee for selection of Playfield

- | | |
|---|------------------|
| a. Deputy Commissioner: | Chairman |
| b. District Sports Officer: | Member-Secretary |
| c. Secretary of District Sports Association: | Member |
| d. A renowned Sportsperson to be nominated by the Chairman: | Member |
| e. Inspector of Schools/District Elementary Education Officer : | Member |
| f. Any other personality (educationist/sportsperson) to be nominated by DC (Not more than two persons): | Member |

(II) Upgradation Committee of the Playfield

- | | |
|--|------------------|
| a. District Sports Officer (DSO): | Chairman |
| b. Head of the Institution: | Member-Secretary |
| c. One Eminent Educationist of the locality to be nominated by the Chairman: | Member |
| d. Secretary of a local Youth Club/Sports Association to be nominated by the Chairman: | Member |
| e. A renowned Sportsperson to be nominated by the Chairman: | Member |

(III) Playfield Maintenance Committee

A local Playfield Maintenance Committee comprising the following members will be constituted for regular maintenance and upkeep of the Playfields

- | | |
|---|-----------------|
| a. Head of the Organization/Institution: | Convener |
| b. A local eminent Sports person: | Member |
| c. Secretary/President of local Sports Association: | Member |
| d. Secretary/President of local Sports Club: | Member |
| e. Physical Instructor of Sports & Youth Welfare Department serving in that area: | Member |

(IV) Facilities proposed to be created :

- a. Improvement of the existing playfield with earth-filling, leveling with approved soil or as per requirement.
- b. Turfing with local suitable grass.
- c. Dressing room for boys, girls and officials with electricity and provision for adequate running water in the toilet.
- d. Fixing of Football Goal Post of standard size (one pair) 24 feet x 8 feet made of GI Pipe of 4" to 5" in diameter with white paint.
- e. Boundary Wall.

➤ *The playing facilities for **Volleyball** can also be developed where spaces are available.*

(V) The following points are to be adhered while developing Play Grounds :

- a. The earth filling should be done with sandy and loamy soil.
- b. The top surface of the playground should be made with sufficient sand filling and planting required grass.
- c. The compaction of the playfield should be made with light roller not exceeding 2 tons.

There must be sufficient space minimum 5 mtrs wide around the playfield for the movement of the players, officials, spectators and for construction of the dressing room.

- The available playfield should be owned by either local School/College Authority, Sports Club or Gaon Panchayat.
- Playing facilities should be made available to the Children, Youth and Senior Citizens of the villages.
- The football playfields are to be developed limiting the expenditure to Rs 20.00 lakhs.

- In each case, contribution of the Institution should be mentioned giving evidence of Bank a/c and certificate of bank balance.
- In the first phase, field requiring minimum budgetary support will be taken up.

(VI) Directory and mapping of Sports Infrastructure as per National Playing Fields Association of India (NPFAI) Guidelines

- State Playing Fields Association of Assam (SPFAA) will be formed and registered under Societies Act XXI of 1860, which will be an affiliated unit of National Playing Fields Association of India (NPFAI). The 500 Football Playgrounds proposed to be developed will be registered with State Playing Fields Association of Assam (SPFAA) and National Playing Fields Association of India (NPFAI). The arrangement is necessary in order to put in place a strong institutionalized mechanism for preserving, protecting, developing and promoting playfields.
- All the Playfields available at District Level will be registered with the Playing Fields Association at District level. Playing Fields Association at District Level will be affiliated under State Playing Fields Association of Assam (SPFAA), which in turn will stand affiliated to National Playing Fields Association of India (NPFAI)
- All the 500 Nos. of Football Playfields proposed to be developed by Assam Youth Development Mission Society under the Mega Mission Society- Chief Minister Samagra Gramya Unnayan Yojana at rural areas of the State will be mapped by Geographic Information System (GIS) for dissemination of information about them and ensure their optimum utilization.
- The aforesaid task of mapping of Playfields will be undertaken by the District Level Playing Fields Association through Sports & Youth Welfare Department, where geo-tagging of all the existing Sports Infrastructures/Facilities will be undertaken.
- Mapping of Sports Infrastructure at village, block, district and state levels will be done by the respective District and State Playing Fields Associations. The necessary data in respect of Sports Infrastructures will be collected through a prescribed format of National Playing Fields Association of India (NPFAI) under Ministry of Youth Affairs & Sports, Govt of India, which is placed at **Annexure-II**.

A). FOOTBALL GROUND :

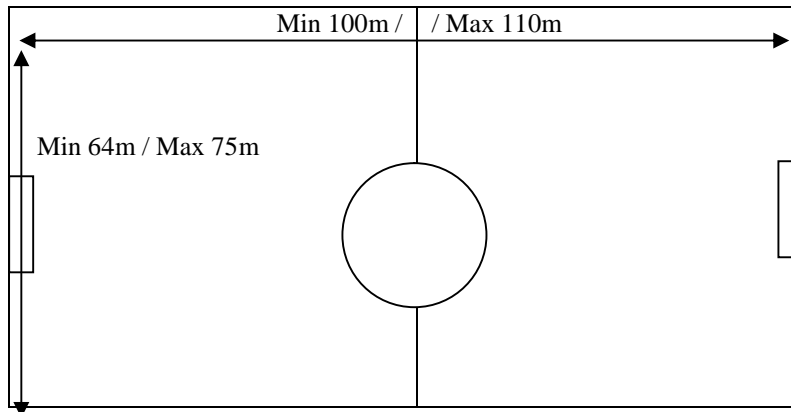

➤ **Dimension of Football Field as per FIFA**

i)	Standard:	Length:	Minimum 90 mtrs/Maximum 120 mtrs
		Width:	Minimum 45 mtrs/Maximum 90 mtrs
ii)	International:	Length:	Minimum 100 mtrs/Maximum 110 mtrs
		Width:	Minimum 64 mtrs/Maximum 75 mtrs

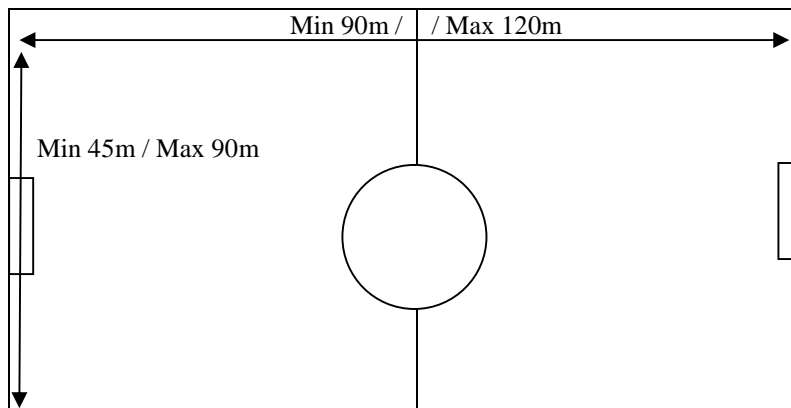

The minimum available playing area of the existing field should be:

- i) Length: 90 mtrs
- ii) Width: 45 mtrs

GOAL POST: The size of the Goal Post is 24 ft x 8 ft made of 5-inch diameter steel tubular pipe with white paint.

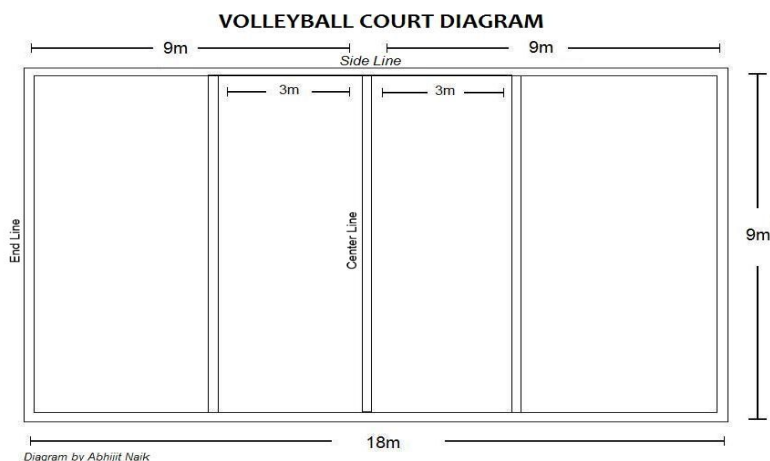

International Size Football Field as per FIFA
